

We would like to invite you to partner with

The Mount Vernon Farmers Market

Mount Vernon Farmer's Market Sponsorships are a great way to promote your business by reaching as many as 2,000 local residents and visitors every Saturday during the summer as they shop, stroll and savor summer at the river.

It's also your opportunity to support local farmers and growers with a family activity that brings fresh, healthy food including locally grown produce and baked goods to the community.

In addition, the Market features a variety of hand-made products along with live music, kid's activities and cooking demonstrations that make Summer Saturdays a fabulous, fun, family adventure on the Riverwalk.

Become a Mount Vernon Farmer's Market Sponsor Today!
